NEWS RELEASE

South Metro Federal Credit Union Expands Field of Membership to Hennepin and Carver Counties.

July 1, 2017 – Prior Lake, MN --- South Metro Federal Credit Union (SMFCU) has expanded its field of membership to include two additional counties in Minnesota. Financial services provided by South Metro will now be available to residents who live or work in Hennepin and Carver counties as well as Scott County, MN. Immediate family members of these residents are also eligible for South Metro membership regardless of where they live.

The expansion was approved by the National Credit Union Administration (NCUA). South Metro's Board of Directors approved the expansion in June. The expansion of its field of membership allows South Metro to increase its geographical reach and provide another financial services option for residents in these communities.

About South Metro Federal Credit Union

Founded in 1993 with a sponsoring financial contribution from the Shakopee Mdewakanton Sioux (Dakota) Community, South Metro Federal Credit Union (SMFCU) is a member-owned, not-for-profit financial cooperative. Our focus is on community, relationships with our members in Scott, Hennepin and Carver County, MN, and select consumer food and housing cooperatives.

SMFCU endeavors to improve its members' quality of lives by providing a broad range of financial products, services and education to achieve personal and professional financial goals. The Credit Union is insured by the National Credit Union Administration, an agency of the U.S. government, and committed to providing our members with affordable, flexible solutions for every budget in every phase of their life. www.southmet.com
